Instructions for Online Account Creation

Creating an Account

Complete the following steps in order to create an online account for your loan. Once this account is established, you will be able to check your account balance, make a payment, view your payment history, set alerts, as well as access other account information. Please complete the following:

1. Go to www.citizensloan.com
2. Click the **Login** menu option located at the top of the screen

3. Click on the **Create an Account** link
 - a. In blue lettering, under the "Password" field

NOTE: Your existing or previous online account will work for all loans

If you have an existing or previous online account, please use that to log in

Contact your local branch for assistance if needed

4. Enter in your **Personal Data**

a. This will include:

- i. First and Last Name
- ii. Email Address

1. **NOTE:** In order to get your receipts and notices emailed to you, ensure that the email address you enter is the same as the one you gave when opening your loan account. If unsure, ask a branch associate; this information can be changed later in your account profile.

- iii. Social Security Number
- iv. Date of Birth

The screenshot shows the 'Citizens Savings & Loan' registration page. The title is 'Register for an account'. There are three progress indicators: 'PERSONAL DATA' (active), 'SECURITY', and 'REGISTRATION'. Below the indicators, it says 'In order to create your account, we require the following information.' The form fields are: 'First Name' (with error 'FIRST NAME IS REQUIRED.'), 'Last Name' (with error 'LAST NAME IS REQUIRED.'), 'E-mail Address' (with error 'EMAIL IS REQUIRED.'), 'Social Security Number' (with error 'SSN IS REQUIRED.' and an eye icon for visibility), and 'Date of Birth' (with error 'DATE OF BIRTH IS REQUIRED.' and a placeholder 'MM/DD/YYYY'). At the bottom are 'Continue' and 'Cancel and Return to Login' buttons. A red callout box on the right says 'Make sure that the information entered here is 100% correct before continuing'. A blue callout bubble at the bottom right says 'Click Continue when the above is completed'.

5. Click **Continue**

6. Enter in your **Security Information**
 - a. Select one of four questions from the Security Questions drop down menu
 - b. Enter in the answer to the selected question

Select a **Security Question** and a **Secret Answer**

This will be for account recovery should you forget your Logon Name and Password
